*gallery listing*

*November 1995*

## Public Art and Photography Galleries, exhibition spaces and arts organisations in England, Wales, Scotland and Northern Ireland

The list covers galleries/museums/exhibition spaces where programmes of exhibitions are mounted in all or any of the areas of the visual arts e.g. art, photography, live art, crafts, design & architecture. Also included are key arts organisations. It is a basic contact list and does not attempt to cover details of access, services and facilities. Letter codings used after each gallery indicate the following:

- |   |                                      |  |
|---|--------------------------------------|--|
| P | Commitment to exhibiting photography | Boekmanstichting - Bibliotheek<br>Herengracht 415<br>1017 BP Amsterdam<br>Tel. 6243739 |
| O | Visual Arts organisation             |  |
| M | Multimedia/new technology            |  |

Listings of privately-run galleries and other arts venues, organisations and contacts in a specific region may be obtained from the relevant regional arts boards (details of these at the back of this list). A good source of information on galleries and exhibition spaces throughout Great Britain is the Directory of Exhibition Spaces published by AN Publications, (who also publish Artists Newsletter and other useful handbooks) details of these from PO Box 23, Sunderland, SR4 6DG, tel: 0191-567 3589.
